

## TRACK AND TRACE FORM

Dear manager / secretary

As you will be aware, each club has had to create their own Covid protocol and action plan, this plan includes a track and trace form which must be retained by the club for 14 days, therefore I am sending you this track and trace form in the hope that you are able to complete it and return it on the day in which you play at our ground, you simply need to hand it in to the Covid officer for your age group who will welcome you when you arrive, having the form pre-populated will save time on the day.

Household name (One name per household)	Contact number	Checked (by Covid officer)
